

Small Business Advocate of the Year 2010 Nomination Form

Qualified nominees are local individuals or organizations who have been instrumental in fostering a culture of identifying innovation in small businesses and partnering with those businesses to win government contracts. Support may also be demonstrated by activities and/or undertakings accomplished in advising and advancing business interests for local high tech small businesses.

Criteria for the Small Business Advocate (Individual)

- Nominee must have a minimum of 3 years of service advocating for small businesses in the Huntsville Community
- Actively promotes and/or supports small business organizations
- Supportive of legislation that promotes small business
- Actively involved in pro-active business development efforts to include SB in new Procurements
- Engaged in civic and community activities that promote small business

In order to be eligible for nomination, the primary physical location of the individual or organization must be within the corporate limits of Madison County.
